Mission: The mission of M.E.T.S. Charter School is to prepare all students to be the best they can be and highly proficient in the areas of mathematics, engineering, science and technology. We challenge all students to be extraordinary.

Professional Development

January 8, 2015

“So often you find that the students you’re trying to INSPIRE are the ones that end up inspiring you.” ~ Sean Junkins

Objective: Participants will analyze data and draw conclusions on school wide data to guide decisions in differentiating instruction by participating in a Data Carousel activity.

Time (p.m.)	Agenda Item	Notes
3 min	Do Now	Do Now: How is data used to guide your instruction?
5 min	Pair/Share Out	Share out thoughts on Do Now
2 min	Norms	PD Norms and Expectations
3 min	Learning Targets	Objective and Essential Questions
5 min	Data Review	Review types of data and the influence for differentiating instruction
10 min	Data Carousel Activity	Description and Purpose of Activity Roles and expectations for each member Exemplar/Model of Activity Q&A
